## ASPILSAN Enerji Portable Hybrid Power Supply BB - 1071 TURNA

Battery Features		Inverter Features	
Total Power	1000 Wh	Short Circuit Protection	
Charge Voltage	24 V	Overload Protection	
Charging Current	10A Max	Temperature Protection	
Nominal Voltage	21,9 V	Sine Type	Full Sine
Nominal Capacity	45 Ah	Nominal Output Power	600 W
Operating Voltage Range	15V - 25,2V	AC Output Voltage	220-240 VAC±%5
Discharge	-30°C + 70°C	Frequency	50 Hz
Charge	0°C + 55°C	Harmonic	THD > %3
USB Output	2x QC 3.0 USB 2x Type-C USB Wireless Charger	Instant Power (Discharge)	1200 W
Light Source	5W Led Spot Lighting	Intelligent Cooling with Fan	
Dimensions	295mm x 206mm x 229mm	AC Output Connector	2X single phase power sockets
Weight	7,2 kg	DC Output	2x DC output sockets 1x DC output 1C-246B-4
Usage Areas: Camps, Construction Sites, Offices, Caravans, Disaster Areas		Charging input	MPPT charging input / 1x anderson, 1 x DC7909
BMS Protection Features		Alert Alarm Features	
Low / High Cell Voltage Protection		Low Battery Alarm (Light and Buzzer Alarm)	
Discharge / Charge Over Current Protection		Over Temperature Alarm (Light and Buzzer Alarm)	
High / Low Temperature Protection in Discharge			
Short Circuit Protection			

**ASPILSAN Enerji A.Ş.**  
is a Turkish Armed Forces Foundation company.

ASPILSAN Enerji A.Ş.  
Pil ve Batarya Sistemleri Üretim Tesisi  
Mimarsinan OSB Mahallesi  
1. Cadde No:43 Melikgazi / Kayseri  
Tel: +90352 321 12 15-16  
Faks: +90352 321 12 17
